

**Everyone knows someone who struggles with addiction.
DRUGS. FOOD. ALCOHOL. SMOKING. SEX. GAMBLING.
DON'T WAIT 'TIL IT IS TO LATE...**

Addiction is an unrelenting disease – not a personal failure. We help people beat it by fighting the triggers that lure them toward heroin, opioids, and alcohol addiction with respect and, dignity. We help heal and restore the whole person. If someone you know is suffering, help them by calling us today and recover more than dreamed. Our Partial Hospitalization (PHP), Intense Outpatient (IOP), and Outpatient (OP), serve woman, young adults, Veterans, and LGBT.
